AMBLER BOROUGH, MONTGOMERY COUNTY, PA

ORDINANCE NUMBER _____

AN ORDINANCE OF THE BOROUGH OF AMBLER AMENDING CHAPTER 10, PART I OF THE BOROUGH CODIFIED ORDINANCES (GRASS AND WEEDS) BY ADDING A NEW SECTION 10-105, FORBIDDING THE PLANTING OF NEW BAMBOO PLANTS WITHIN THE BOROUGH; REQUIRING REMOVAL AND ABATEMENT OF EXISTING BAMBOO IN CERTAIN CIRCUMSTANCES; LEAVING THE REMAINDER OF THE ORDINANCE IN FULL FORCE AND EFFECT; EFFECTIVE ON THE EARLIEST DATE PERMITTED BY THE PENNSYLVANIA BOROUGH CODE

WHEREAS, the Ambler Borough Council seeks to preserve and protect private and public property from the damaging spread of bamboo grasses, and

WHEREAS, the Borough has received numerous complaints about bamboo that has migrated from the property on which it was originally planted onto adjoining properties without the permission of the owners, thereby constituting a noxious growth, and

NOW THEREFORE Ambler Borough Council does ORDAIN as follows:

§10-105. Bamboo.

1. Definitions.

BAMBOO – Any Monopodial (running) tropical or semi-tropical grasses from the genera Bambusa, including but not limited to Bambusa, Phyllostachys, Fallopiia and Pseudosasa, as well as common bamboo, golden bamboo, arrow bamboo, and Japanese bamboo. For purposes of this ordinance, bamboo does not include clumping varieties (non-invasive rhizome structure).

BAMBOO OWNER – Any owner or occupier of property that contains any type of running bamboo; however, for purposes of enforcement, an owner or occupier of property containing running bamboo shall not be considered a bamboo owner if he or she has made a demand in writing or in court against an adjoining property owner claiming that the bamboo has migrated from the adjoining property against the wishes of the claimant and that the claimant seeks its removal by the owner of the adjoining property.

2. Prohibition of New Bamboo. As of the effective date of this section, the planting of new bamboo is prohibited on any property within the Borough. A violation of this ordinance is a summary offense punishable by a fine of one hundred dollars (\$100.00). After seven (7) days have elapsed from a violation notice, each day thereafter is a separate offense.
3. Regulation of Existing Bamboo. Any bamboo that has been planted or otherwise permitted to grow on any property within the Borough prior to the effective date of this subsection may remain on such property subject to compliance with this subsection.

- A. No part of a bamboo plant, regardless of whether the plant is contained within a vessel or not, shall be planted, maintained or otherwise permitted to exist within 10 feet of any property line or edge of the pavement or traveled portion of a public or private road, alley or sidewalk in the Borough.

4. Removal and Abatement.

- A. Any property owner whose property contains bamboo that violates §10-105.3 shall remove and abate growth of the bamboo so that it is no longer in violation of this subsection.

- i. The removal or abatement of bamboo shall only be deemed complete by the Borough if the root system is fully contained within a barrier.

- a. The barrier shall be composed of high-density polypropylene or polyethylene at a thickness of 40 mil. or more.

- b. Portions or sheets of the barrier shall be secured or joined together by the use of stainless steel clamps or stainless steel closure strips designed for such barriers.

- c. The entire perimeter of the barrier shall extend at least 30 inches below ground level and at least 3 inches above ground level.

- d. When installed, the barrier shall slant outward from the bottom to the top.

- B. The bamboo owner, defined herein, is responsible for removing, trimming, or cutting any part of a bamboo plant that grows in violation of this section.

- C. The bamboo owner shall be responsible for any incurred costs related to the removal and/or abatement of bamboo that is in violation of this subsection.

- D. Whenever possible, if bamboo growing in violation of this subsection is present on two or more adjacent properties, bamboo owners are strongly encouraged to begin removal/abatement work at the same time. The removal or abatement of larger bamboo stands will be most successful if all affected bamboo owners take action simultaneously.

- 5. Replanting Prohibited. Any bamboo either planted or caused to be planted or existing on a property prior to the effective date of this subsection may not be replanted or replaced once such bamboo is or has become, for any reason, dead, destroyed, uprooted, or otherwise removed.

6. Violation and Penalty.

- A. Upon a determination by the Borough that a violation of this ordinance exists, the property owner will be sent a letter explaining the violation and the steps that must be undertaken to abate and remedy the violation. Such notice shall be sent by regular mail to the property owner's address of record.
- B. The letter will instruct the property owner that it has ten days within which to begin a correction of the violation and advise that if such work does not commence within ten days (or any additional period agreed to by the Borough), then the owner will be issued a summary citation enforceable in magisterial district court. The letter will also advise that the owner has 120 days within which to complete the removal of the bamboo that forms the basis for the violation. The letter shall include details as to the steps that need to be taken to correct the violation.
- C. If the work to correct the violation does not commence within ten days or such additional time as agreed to by the Borough, or is not completed within 120 days, the summary citation shall issue as in the usual course.
- D. A violation of this ordinance is punishable by a fine not to exceed \$600.00 (to be determined by the court) along with the payment of court costs. The Borough reserves the right to enforce this ordinance through all legal and equitable means, including injunctive relief.

- 7. This ordinance is effective upon adoption. Enforcement of this ordinance will commence one year (365 days) after adoption.
- 8. Should a court of competent jurisdiction find any provision herein to be without legal effect, then such infirm portion shall, to the extent possible, be severed from the remainder of the ordinance, which shall continue in effect.

SO ORDAINED this _____ day of _____, 2018.

Re: MCPC #17-0211-002
Proposal Name: Bamboo Ordinance
Borough of Ambler

Dear Mr. Kucher:

We have reviewed the above-referenced zoning text amendment in accordance with Section 609 of Act 247, "The Pennsylvania Municipalities Planning Code," as you requested on February 22, 2018. We forward this letter as a report of our review.

BACKGROUND

As many communities in southeastern Pennsylvania have done, the Borough of Ambler proposes to enhance their existing Grass and Weeds regulations (**Chapter 10, Part 1**) by adding a new section, **§10-105 Bamboo**, to specifically address the growth and spread of bamboo in the borough. The proposed ordinance would regulate only running bamboo (vs. clumping), which is common in the region. Despite being used for screening or ornamental purposes, running bamboo generally spreads and becomes overgrown quickly, therefore, it can easily encroach into right-of-ways or across property lines. Due to its aggressive nature, running bamboo is known to cause damage to ecosystems or physical property if growth is uncontrolled.

The proposed zoning text amendment would define "bamboo" (running types only) and "bamboo owner", and would prohibit the planting of any new bamboo in the borough. Existing bamboo would be permitted to remain so long as no part of the plant exists within 10 feet of any property line, roadway, alley or sidewalk to prevent the bamboo from spreading uncontrollably and from potentially causing damage to property or infrastructure. If removal or abatement is required, bamboo owners would be required to install a protective barrier to the specifications noted in the proposal (§10-105.4.A) to prevent future spreading. The proposal also includes procedures for issuing violations and fines.

RECOMMENDATION

The Montgomery County Planning Commission (MCPC) supports the applicant's proposal without comment as we have found it to be generally consistent with best practices for the municipal regulation of running bamboo varieties. We commend the borough for taking this initiative and we believe that the proposed ordinance, if adopted, will help mitigate some of the harmful or undesirable effects of bamboo growth in Ambler, particularly in regard to encroachment onto adjacent properties.

CONCLUSION

Please note that the review comments and recommendations contained in this report are advisory to the municipality and final disposition for the approval of any proposal will be made by the municipality.

Should the governing body adopt this proposed zoning ordinance amendment, Section 609 of the Municipalities Planning Code requires that we be sent an official copy within 30 days.

Sincerely,

Lauren Van Dyk, Community Planner
