Memorandum

To: Ambler Borough Council

From: Glenn Kucher, Code Enforcement Officer

Date: April 30, 2021

Re: Resale Residential Use and Occupancy Inspection Proposed Procedures and Policies

Ambler Borough presently does not require a use and occupancy for the sale of a residential property in the Borough. The Borough presently requires a letter outlining items are in good working condition from the seller. With the present booming real estate market in the Borough, it may be a good time to inspect and regulate some commonly neglected items that have a negative effect on the Borough as a whole. Staff would like to propose starting a residential resale use and occupancy inspection program. This would NOT entail an interior inspection of the property. I feel that many new homeowners in the Borough are either hiring their own home inspector and / or renovating after settlement. New rentals are inspected by the Borough in order to make sure that property maintenance issues are repaired. With performing the below items current staff along with the Building Inspector would be able to handle the increase in tasks. This proposed program would entail inspections of the following:

- **Electrical Certification** – this electrical inspection and certification would be done by a certified electrical underwriter to ensure compliance and safety under the electrical code. There are several electrical underwriters in the area and a list would be provided to the seller as part of the resale packet information. Electric certifications would be sent to the Borough via email from the electrical underwriter.
- **Curb / Sidewalk / Alley Inspection** – if a home has a curb, sidewalk and/or a driveway or portion of the rear alley that need repair or replacement it would be required to do so prior to the issuance of a use and occupancy. Borough inspectors would mark the required areas for repair with white spray paint. Walkability is one of the many cornerstones which makes Ambler a desirable place to live, and this would help improve its walkability and safety as properties turnover.

- Sewer lateral Inspection - the seller of the property would be required to hire a master plumber to conduct a video inspection of the sanitary sewer service lateral and issue a certified report regarding the condition. This certified report would clearly indicate whether the private sewer service lateral serving the property is in satisfactory or defective condition. The certification shall clearly indicate that there is no inflow and/or infiltration into the private sewer service lateral, nor any illegal connections, sump pump connections, and that the cleanout vent is capped and not damaged. If the private sewer service lateral serving the property is in defective condition, the certified report shall identify the deficiencies and make necessary changes. I have spoken to plumbers in the Borough that have the necessary equipment and certifications to perform these inspections.
- Backflow preventer verification – this is a check valve located on the house side of the meter to prevent water from flowing in the opposite direction out of the home in the event of an emergency.
- Exterior property maintenance inspection – a visual inspection to ensure that there are no tripping hazards on walkways, loose railings, missing roof shingles or visually distressed items on the exterior.

I have overseen use and occupancy resale inspection programs at my previous municipality I worked at and believe the above lite inspection program could easily be incorporated into the Code Department operations. The next step moving forward would be to draft an ordinance outlining the above. I have several sample municipal ordinance language to assist in this process with the Borough Solicitor. The Borough would be looking for a fee of about \$150.00 which would cover the cost of the initial inspection and a re-inspection and paperwork. The Borough Code Department would be able to implement this program immediately after adoption of the Ordinance. I have obtained all the necessary forms and paperwork get started.

Feel free to contact me with any questions or comments. Thank you for your input and assistance with this matter.

RE: Northern Montgomery County Recycling Commission
Protocol for Act 101 Violations

Dear Ms. Aversa:

As you may recall, this office serves as solicitor for the Northern Montgomery County Recycling Commission (“NMCRC”) of which your municipality is a member. In 2020, the NMCRC sent you a proposed Protocol for Act 101 Violations along with a resolution (the “2020 Protocol Resolution”) and requested that your governing body adopt the same. Most of the member municipalities adopted the 2020 Protocol Resolution as presented; however, some municipalities responded by providing comments and requesting revisions to the 2020 Protocol Resolution before considering it for adoption. This resulted in an incomplete adoption process and lack of uniformity among the member municipalities.

The Commissioners have expressed a desire for all eleven municipalities to adopt the exact same protocol to achieve uniformity in enforcement protocol. To that end, we are enclosing a *draft* of a revised Protocol for Act 101 Violations and resolution (the “2021 Protocol Resolution”) which the Commission believes addresses the concerns of the municipalities that have not heretofore adopted the 2020 Protocol Resolution.

The NMCRC respectfully requests that you share this *draft* 2021 Protocol Resolution with your governing body and solicitor to provide our office with your review comments prior to the NMCRC meeting to be held July 15, 2021. At that meeting, the Commissioners intend to review all comments and make one final revision to the 2021 Protocol Resolution. It is anticipated that the finalized version for adoption will be distributed shortly after the July 15 NMCRC meeting. In the interim, please do not adopt this draft version of the 2021 Protocol Resolution.

Please let us know if you have any questions, comments or concerns, or require any further information.

Sincerely,

MARK A. HOSTERMAN

MONTGOMERY COUNTY, PENNSYLVANIA

RESOLUTION 2021-__

A RESOLUTION ADOPTING PROCEDURES FOR THE HANDLING OF RECYCLING AND SOLID WASTE DISPOSAL VIOLATIONS BY HAULERS, BUSINESSES, INSTITUTIONS OR RESIDENTS OF MEMBER MUNICIPALITIES OF THE NORTHERN MONTGOMERY COUNTY RECYCLING COMMISSION.

WHEREAS, the Northern Montgomery County Recycling Commission (the “Commission”) is comprised of eleven (11) municipalities located in Montgomery County, Pennsylvania organized for the purpose of implementing the Municipal Waste Planning, Recycling and Waste Reduction Act of 1988, as amended (“Act 101”); and

WHEREAS, the member municipalities of the Commission have assigned and delegated their powers under Act 101 to the Commission in accordance with an Amended and Restated Intermunicipal Agreement dated May 21, 2007, as amended (the “Agreement”); and

WHEREAS, Section 403 of the Agreement grants to each member municipality concurrent jurisdiction with the Commission for the monitoring and enforcement of Act 101; and

WHEREAS, Section 4 of the Municipal Waste Collection and Recycling Ordinance adopted by each of the member municipalities authorizes the Commission to establish, by resolution, rules and regulations related to the administration of the recycling program and to administer and enforce against violations of all such rules and regulations; and

WHEREAS, each member municipality has delegated to the Commission pursuant to Section 8.B(2)(c) the authority to promulgate rules and regulations and to enforce those rules and regulations or to delegate such enforcement to the member municipalities; and

WHEREAS, the Commission and each member municipality desire to establish formal procedures for the enforcement of Act 101 and enforcement against violations by haulers, businesses, institutions and residents of its member municipalities;

NOW, THEREFORE, IT SHALL BE RESOLVED AS FOLLOWS:

Section 1. The Commission and each member municipality hereby adopt the enforcement procedures attached hereto as Schedule “A” and incorporated herein by this reference with the same effect as if they had been set out verbatim in this section, and a copy of which shall be filed with the minutes of the meeting at which this Resolution was adopted.

Section 2. Resolution 2020-__ adopted on _____, 2020 is hereby rescinded in its entirety.

Section 3. This Resolution shall become effective at the earliest date permitted by law.

Regulation re: Violations of Act 101

Procedures for Act 101 Violations

1. First Offense – Upon receipt of sufficient credible evidence and after consultation with the municipality in which the violation occurred, a written violation warning letter may be sent to the violator (i.e., the waste hauler, business, institution or municipal resident) by the NMCRC Solicitor, at the discretion of the NMCRC Solicitor, who may seek guidance from the Commission before moving forward with a written violation warning letter. A warning letter will include a statement that both the municipality and the NMCRC have enforcement powers for a violation of Act 101 and/or the corresponding municipal ordinance.
 - a. Written notice should be sent by certified mail, return receipt requested.
 - b. A copy of the written notice should be sent to the member municipality in which the violation occurred and to the NMCRC Chairman, for distribution to all Commission members.
 - c. Written notice should include a description of each violation, identification of the section(s) of Act 101 and/or the corresponding municipal ordinance being violated.
 - d. Whenever appropriate, initial violations shall be discussed in executive session.
 - e. If the NMCRC Solicitor declines to issue a violation warning letter, the NMCRC Solicitor shall notify the member municipality of the decision. The member municipality may move forward with a violation warning letter.

2. Subsequent Offense – Upon receipt of sufficient credible evidence of a subsequent offense by the same violator within two (2) years of the date of the first offense, the municipality in which the violation occurred should notify its solicitor or code official to consider commencement of enforcement action. The municipality shall notify the NMCRC Solicitor and advise the NMCRC Solicitor whether the affected municipality intends to undertake formal enforcement action on behalf of the affected municipality. In most cases, the affected municipality will be responsible to undertake the formal enforcement action pursuant to guidelines set forth in Act 101 and/or the corresponding municipal ordinance. The municipality shall periodically provide non-confidential enforcement status reports to the NMCRC Solicitor and Chairman.

3. Report to PADEP. If a subsequent offense occurs (as set forth in Section 2 above) and the affected municipality elects not to undertake formal enforcement action, the municipality or NMCRC Solicitor may report the occurrence of the violation to the Pennsylvania Department of Environmental Protection (“PADEP”) and request that PADEP pursue enforcement action.

4. Enforcement Action by NMCRC. If a subsequent violation impacts more than one NMCRC member municipality and PADEP decides not to pursue enforcement action, the NMCRC Solicitor may, after a vote by the Commission, take formal enforcement action on behalf of the affected municipalities, provided the affected municipalities enter into a cost-sharing agreement, prepared by the NMCRC Solicitor and satisfactory in form and substance to the NMCRC, relating to all costs and expenses, including attorneys' fees, relating to the enforcement action.

Recommended Documentation Evidencing Violations

If a resident, business or institution observes an alleged waste disposal or recycling violation, the resident should contact the Municipal Manager to report the alleged violation. The Municipal Manager should obtain as many factual details as possible from the resident, business or institution and determine whether the resident, business or institution can provide any written or visual documentation to support the alleged violation. Recommended documentation would include the following:

- Written witness statement(s) describing what activities occurred, when and where they occurred, and the identity of all witnesses and other individuals who were involved. Include the name, address and contact information for each witness who observed the violation occurrence.
- Photographs/videos taken by witnesses, including the name, address and contact information for the individual(s) who created the photograph/video.
- Certification statement signed and dated by each witness certifying that the evidence provided is correct and complete. (For example: "I, _____, hereby certify that the foregoing information provided by me is correct and complete.")

Sample Ordinance Violations

Some common waste disposal/recycling violations include the following:

- Commingling recyclable materials with municipal solid waste
- Commingling household hazardous waste with municipal solid waste
- Commingling leaf waste with municipal solid waste
- Outdoor burning (including leaf burning)
- Collecting waste/recyclables between the hours of 8:00 pm and 6:00 am
- Violating other time, place and manner restrictions applicable to waste/recycling disposal

Municipal Websites

Each member municipality should include information on its website for reporting Act 101 violations to the municipality.
