

Ambler EAC Fall Tree Planting is BACK in 2026! Add value to your homes!

If you would like a Street Tree (within 10 feet of your sidewalk) the **discounted price is \$50**.

These are good size - normally retail at about \$300.

If you desire a Back Yard Tree, the **discounted price is \$75** for your first tree, **\$110 if more than one**. We are gladly accepting donations too.

**The BEST time to plant a tree is 20 years ago.
NOW is the second-best time!**

The trees are bare root for better survival, native, urban tolerant, provide wonderful shade and cooling in summer, let the winter sun shine through, reduce rainwater runoff, and help Ambler qualify for benefits as a Tree City in PA and USA.

You can select:

A **Small tree** (can grow 15-25 feet tall) like a Red Bud or Serviceberry. A

Medium tree (can grow 25-45 feet tall) like Red Maple or Black Gum.

Or a **Large Tree** (can grow 40-80 feet tall) like a Hackberry, Kentucky Coffeetree, Sweetgum, Tulip Poplar, or a Bur Oak.

Full Tree Species are listed below on the order form below and now on the Ambler Borough Website. We added some details on characteristics too.

Price is determined by **where** it will be planted, not by size. Select your trees from our order form or from the Ambler Borough website. Pick your tree choice and quantity wanted on the order form. Forward a check payable to Ambler Borough, in memo "EAC Shade Tree". The EAC will be offering the discount for at least the first 60 trees ordered. Planting will be on November 14, 2026.

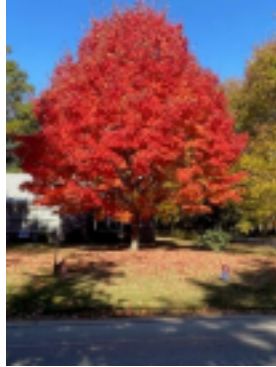

The newly planted trees will need water (by bucket or by rain) once a week until they lose their leaves in winter, once a week through spring, more often during hot dry summer weeks, then once a month for the first 2 years.

Email Mark Setman EAC Tree Planting Chair MarkSetman@gmail.com

Ambler Website for varieties and ordering: See the attached order form with the listed varieties.

See you on the shady side of the streets!

- Mark Setman, Ambler Environmental Advisory Council

As an **Ambler Borough resident**, you are eligible to request a shade tree for your yard.

Please pick the tree species that you would like to have planted in your yard from the list on next page. **For questions relating to what tree species might work best for you feel free to contact the Ambler EAC at marksetman@gmail.com. Or Text 215-806-0686**

\$50 for your first front yard tree, \$75 for a backyard tree, \$135 for any additional trees. (\$300 value). The tree will be planted in your yard by Ambler EAC Tree Tenders & volunteers on November 14th. Also, feel free to volunteer by emailing.

Choose tree(s) species, fill in below and deliver to Ambler Borough receptionist:

Include check payable to " **Borough of Ambler**" (Memo: **EAC Shade Tree**)

Check total \$_____

Property Owner's name

Return form with your check to: Ambler EAC, 131 Rosemary Ave, Ambler PA by September 03, 2026 or before to help insure your species pick, or by the latest order date of September 13, 2026. The earlier you apply for a tree, the better chance you will get a species that you want. If you do not like any of the tree species available, we can refund your money.

Non profits contact Mark Setman for information; email: marksetman@gmail.com

Donation: If you don't need a tree, please consider writing a check to donate to a great cause: any amount of money would be greatly appreciated and used to more purchase trees.
