## NOTICE TO RESIDENTS

JUN 18 2026

Starting on,

Kehoe construction will be performing the milling and paving restoration on your street.

These dates are TENTATIVE, as we can complete work WEATHER PERMITTING.

This is part of PECO gas main replacement.

The working hours will be from 7AM to 4PM, Sunday Excluded.

We ask that all vehicles be removed from the street during working hours.

You will have access to your driveway with minimal to moderate delays so please allow yourself extra time as we will be working diligently to ensure work is completed in a timely manner.

You may see Temporary no parking signs posted. After they are removed, you can park as normal.

You can expect all work to be performed in a professional and workman like manner.

You can also expect that after work is completed each day, the area will be left in a safe condition.

We understand that there will be some inconvenience during the construction process and ask for your patience and understanding. Thank you for your cooperation.

The Kehoe Construction Team
