OLD BUSINESS:

Input is requested on updating the Borough Open Space Plan to incorporate the newly-acquired parcels since the last update in 2006. The County Planner presented a memo setting forth draft Sections on Potential Linkages, Potential Acquisitions and Needs and Natural Resources. A suggestion was made that Ambler's relationship with its neighboring municipalities has an impact on these sections. Walkability to surrounding municipalities' parks was discussed as well as the condition, accessibility and utilization of our parks. Consideration should be given to the purchase of parcels that could have a significant impact on possible flooding areas in the Borough as well as strategic areas for pocket parks/open space.

NEW BUSINESS:
