OLD BUSINESS:

Review the guidelines and recommend changes to the Borough's existing wireless ordinance and fee schedule to comply with the FCC Order Dated September 26, 2018, as well as develop design requirements for wireless facilities in the rights-of-way to prevent aesthetically obtrusive facilities. Montgomery County review will follow at a later date.

Input is requested to create a conceptual plan incorporating identified community needs and improvements for each park in the Borough to be used as part of a larger Master Park Plan. The residents' comments made at the Public Meeting for Pickering Field at 6:00 were briefly acknowledged.
