OLD BUSINESS:

Input requested to create a conceptual plan incorporating identified community needs and improvements for each park in the Borough to be used as part of a larger Master Park Plan. The County Planner prepared a presentation which she gave at the September Council meeting. This presentation is a result of several years of input from the residents who participated in the workshop meetings held in 2020-2021 for each park as well as the discussions at multiple Planning Commission meetings. Certain aspects of the presentation were discussed as well as priority in relation to the costs involved. One of the top priorities is additional seating as well as the sidewalk around Pickering Field which is currently in the planning stage
