The **Borough of Ambler** will receive sealed bids online for **Ambler Borough Wells 2, 6 & 7 PFAS Treatment System Contract 22-01: General/Mechanical Construction and Contract 22-01E: Electrical/HVAC Construction**. Sealed bids may be submitted and updated online via the PennBid™ Program **until 10:00 A.M.**, prevailing time on **February 2, 2023**.

The work consists of the construction and installation of a granular activated carbon treatment system with associated treatment building, backwash holding tank, chlorine contact tank and associated internal and external piping located adjacent to Ambler Borough Well #6 in Upper Dublin Township. All work is to be completed in strict accordance with the Project Manual and Drawings.

All Bid Documents and solicitation details are available at no cost at PennBid™ - www.PennBid.net. Click on the "Solicitations" then "View" tabs. Only bids submitted online at PennBid™ - www.PennBid.net by the date and time above will be considered and opened.

This project is subject to applicable provisions of Act 422, Pennsylvania Prevailing Wage Act as amended and prevailing minimum wage rates issued by the Pennsylvania Department of Labor and Industry.

No Bidder may withdraw his bid within sixty (60) days after the date set for the opening of the bids.

The Borough of Ambler reserves the right to reject any and all bids for any cause whatsoever, to eliminate any item or items from the contract, and to waive any informality in the bids.
